RECEIVED

**PETITION UNDER 37 C.F.R. § 1.181
IN RESPONSE TO NOTICE OF ABANDONMENT**

JAN 01 2004
OFFICE OF THE SPECIAL
PROGRAMS EXAMINER

This petition is being filed in response to the Notice of Abandonment mailed on August 7, 2003. (Exhibit 1). The notice states that the above-referenced application has been abandoned for failure to respond to the Notice to File Missing Parts mailed on April 20, 2001. In view of the remarks set forth below, Applicants respectfully request withdrawal of the Notice of Abandonment and reinstatement of the above-referenced application with its original filing date of February 5, 2001.

On February 5, 2001, Applicants filed a Request for Filing a Continuing Application under 37 C.F.R. § 1.53(b). (Exhibit 2). On page two of the request, item ten (10) indicates that a Decision According Status under 37 C.F.R. § 1.47(a) for the parent application was attached. (Exhibit 3). A return copy of the postcard filed along with the request also evidences that a copy of the Decision According Status was filed along with the request on February 5, 2001. (Exhibit

4). According to the Decision, the application is accorded status under Rule 1.47(a) due to the failure of joint inventor Fan Ho to join in the application.

On June 15, 2001, the undersigned discussed the Notice to File Missing Parts with Preston Wallace of the Patent Office's customer service center, who instructed Applicants to disregard the Notice to File Missing Parts in view of the facts described above. Accordingly, Applicants have been awaiting a first substantive action since that date.

Because a Declaration evidencing Fan Ho's signature is clearly not required in view of the Decision According Status under 37 C.F.R. § 1.47(a) filed on February 5, 2001, both the Notice to File Missing Parts and the Notice of Abandonment have been issued in error. Accordingly, Applicants strenuously request withdrawal of the Notice of Abandonment, reinstatement of the present application, and substantive examination at the earliest possible date.

It is not believed that any fees are required for filing this petition due to the mistake being on the part of the Patent Office. However, the Commissioner is authorized to charge Deposit Account No. 13-3092; Order No. MCRO:181--1/FLE (95-0580.01) for any fees that might be required.

Respectfully submitted,
